**Subject:** [SCOPEny] Albany Trip--If You Can't Make the Trip

If you are unable to be part of the gun owner rally in Albany on April 29th, you still have work to do that can help protect your rights.

Starting Monday morning we need you to call your Assembly representative and ask them to vote against all of the 14 bills that will be voted on this week in the Assembly session. If your rep is progun just ask them to oppose all of the bills on the list, but if your rep is one of the anti-gun reps then you need to make a separate call on each bill. The purpose of this is to tie up their phones with calls. It is an effective strategy and has worked it the past.

You can find contact info for your Assembly rep here <http://assembly.state.ny.us/mem/>

Once these bills have passed the Assembly they will go to the Senate so you need to do the same with your Senator with additional calls to Senate Majority Leader Sen. Malcolm Smith's office (Albany office (518) 455-2701) and to Codes Committee Chairman Sen. Schneiderman (Albany office (518) 455-2041), he is the senate sponsor on many of these bills and they are in his Codes Committee.

You can print off a shortened version of our Legislative Report with the 14 bill package only at our website [http://scopeny.org/ARCHIVES/SCOPE\\_Legislative\\_Report.pdf](http://scopeny.org/ARCHIVES/SCOPE_Legislative_Report.pdf)

They are also listed below.

It is important that you try to make the trip to Albany but if you cannot be there, we really need you to make the time to make these phone calls.

Uses innuendo and unsubstantiated claims that certain types of ammo are "armor" piercing, does not define "armor". Prelude to complete bans of ammo types.
A2882/S627	Koon/Robach	Provides for the submission by state and local law enforcement authorities of expended projectiles and shell casings and guns, found or otherwise coming into their possession, to the state police pistol and revolver ballistic identification electronic databank; requires the law enforcement agencies to make a record thereof and submit within 30 days.	<b>OPPOSE</b> An expansion of the failed CoBIS system. A7575	Lancman	This bill would improve public safety and prevent domestic violence incidents from escalating into even greater violence by keeping guns out of the hands of domestic violence perpetrators.	<b>OPPOSE</b> broadly expands offenses that would be included in "serious offenses" which would permanently ban one from possessing firearms. It also ties these offenses to "family members" but doesn't define what a family member is, which gives courts dangerously broad authority to determine who is included in the definition of a family member.
